Paralysis Fatal to Mrs. Rothert.

Mrs. Franziska Weber Rothert, seventy-nine years old, formerly well known to tobacco brokers, died at 7:30 o'clock Friday night at her home, 132 East Gray street, Louisville, Ky. She suffered a stroke of paralysis on November 12 after being in declining health for about a year. Her husband, Herman Rothert, died February 25, 1904.

Mrs. Rothert was born in Bruchsal, Baden, Germany, on May 11, 1835. She came to Louisville in 1853 with her parents and married Rothert, also of Germany, in September of that year. They made their home in Huntingburg, Ind., for thirty-five years. They conducted a general store and tobacco business at Huntingburg. Later they became engaged in exporting leaf tobacco. Mrs. Rothert always took an active interest in the business.

Coming to Louisville, the Rotherts conducted a tobacco stripping plant at Tenth and Main streets, but retired after the cyclone. Mrs. Rothert is survived by a daughter, Miss Sophia Rothert, of Louisville, and three sons, Otto A. Rothert, the historian; John H. Rothert, representative of the Diebolt Safe and Lock Company, of Louisville, and Hugo C. Rothert, of Huntingburg. Otto Rothert is at present suffering from an attack of pneumonia, but is improving, and will soon be out.

The body of Mrs. Rothert was carried to Huntingburg, Ind., and interment made there Monday afternoon.

Postoffice Makes Record.

Greenville post office patrons have made a record in the matter of insured packages by parcel post. This service has been on for just a year, and the records of this office show that more than 1,500 packages will be sent in that period. This surpasses all cities of our class, and equals, almost, the business done by Hopkinsville, Bowling Green, Henderson and such cities, in that line. The proportion of losses or complaints of any kind made here are extremely light.

Is Appointed Fish and Game Warden.

Mr. Granville McDonald has been appointed fish and game warden for Muhlenberg county, and has entered upon the duties of the office. He is capable, and will make an efficient officer. The protection of bird life is important, and the unlawful means often employed in fishing should be stopped. Mr. McDonald will join with the other officials in the general effort that is being made to have our laws on this line observed.
